WES combines reliability with optimum service and is therefore your ideal partner for the transport of (top) horses at a high level.

Longterm cooperation

Knowledge of business, service that knows no boundaries and trust are the basics for quality. These are key elements for a long-term relationship with clients and chain partners.

Knowledge

Import and export requirements vary by country and even by continent. WES is always up to date with the latest changes in this respect. Thus we are able to provide our customers at any time.

Reliability

WES invests in long term relationships with clients and chain partners from home and abroad. Such cooperation is based on reliability, optimum customer service, openness and maximum results. More information, just check www.flywes.eu
